**In this period of economic crisis, maybe it's time you took a**

### **CLOSER LOOK**

**At what you're REALLY getting for the money you're**

**spending on IT services and support.**

Dear Matt,

What sets us apart is the experience to not only get your computers and network up to an efficient standard, but to make them help you turn a profit as well.

Our deliverable is **MONEY, EFFICIENCY** and peace of mind (**SECURITY**).

Are you looking at a bloated budget while feeling anxious about revenue? Just as we've helped countless local businesses over the past 15+ years, we can help yours save money while delivering solid IT support.

If you saw other businesses throwing money away, wouldn't you intervene?

**Here Are A Few Of The Ways Money Is “Unintentionally” Exiting Your Organization**

- Grossly Inadequate Data Compliance and Cyber Security Protections
- Chronic IT “Glitches” And Downtime
- “Maverick” Spending, Poor Utilization and Undisciplined Planning

We'd like the chance to show you how Direct iT can help you, so for a limited time we are giving businesses with 10 or more employees the choice of 2 free offers.

**To obtain one of the 2 items below at no charge, please call me at**

**781-996-4918**

**or visit**

**[directitcorp.com/closer-look/](https://directitcorp.com/closer-look/)**

- 1. Schedule a **FREE\*** business identity theft protection analysis.**
- 2. Get 2 **FREE\*** hours of network support. We can come in and fix anything you'd like.**

\* This offer expires on 10/15/2020
